

How It Works For Financiers

Venture Funding Network is the most effective source on the internet for matching qualified entrepreneurs with banks, receivables factoring, finance, leasing companies and other lenders. Connect with potential small business and mid size business prospects that are seeking small business loans and other funding. Create valuable opportunities for your firm or financial institution. At VentureFundingNetwork.com we have created an innovative customer acquisition platform for financial institutions, lenders and financiers across the country and around the globe to realize the following benefits:

- An increase in the number of small business and midsize customers acquired.
- An increase in the number of funding opportunities available.
- A decrease in customer acquisition costs.
- A decrease in time from initial contact to customer acquisition.
